Recent discoveries of the French mission in Deir el-Medina

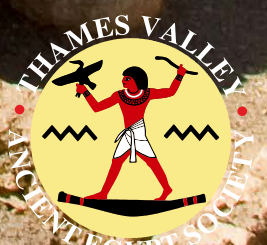

Highlights from the past seasons

By Dr Cedric Gobeil

Saturday December 9th 2016

1.30 for 2.00pm

2017 marks the 100th anniversary of the French archaeological concession in Deir el-Medina. Contrary to general belief, this ongoing exploration has recently shown that the site still has much to tell us with many answers still waiting to be found. Partly thanks to new technologies, finds are made every year. While reviewing this we will highlight the most interesting and newest discoveries made since 2011.
